PromoterPilot™

PROMOTERPILOT™ RESOURCE

Artist Quick-Start Guide

How bands, DJs, comedians and live entertainers get started.

Status note: PromoterPilot is in its founding-venue pilot at InTune Supper Club, Farmington, NY. National early access is now open; nationwide commercial deployment has not begun. Features marked "Pilot" operate at the founding venue only; "Built - Pending Activation" and "Planned" items are not yet available. Pricing is proposed and subject to final terms. No paid subscriptions are active.

1. Create your profile

Basic artist registration is free. Add your act name, genre, location, lineup, photos and links to your music or video.

2. Share availability

Tell venues when and where you can perform.

3. Request opportunities

Request open dates at participating venues. Track booking-request progress in a private artist dashboard (pilot).

4. Review terms

Review negotiated booking information. Final bookings require venue management approval and a written agreement.

Playing InTune Supper Club

Local bands can register directly through InTune Supper Club at intunesupperclub.com/book-a-date. Registration does not guarantee a booking; dates open once the venue schedule is confirmed.
